TERMS OF SALE

1. This sale is an unrestricted Public Auction and Mail Bid Sale. All bids are to be entered by lot as numbered in this catalogue. Mail Bidders should feel free to bid as much as they wish knowing that we will buy the lot, if possible, below their bid. Thousands of bidders to K ATEN SALES can attest to this statement.
2. Prices given following lots are estimates of today's market, and only intended as a guide. You may bid higher or lower as you wish.
3. Auction Sales are not approval sales. By submitting your bids you agree to the Terms of Sale herewith set forth. No lot may be returned without written permission, and request must be made within three days after receipt of material.
4. No commission, service charge or other extras will be made for executing your bids. Only the actual cost of mailing and insurance will be made. On books we charge \$2.00 handling fee for packing and processing up to 10 books; each additional book 10¢.
5. Bidders unknown to us must furnish references two weeks before the sale date or send a deposit equal to 25% of their bids. Bids will not be executed unless this is followed.
6. Sales are strictly for cash in U.S. Funds (unless other arrangements have been made). Payment must be made immediately upon receipt of notification or delivery.
7. All books are as described. The actual title in a foreign language is given - the cataloguer interprets the title and is in parenthesis.
8. We acknowledge the possibility of errors or typographical mistakes, and any errors or mistakes on our part will be corrected. Please be careful in placing your bids, as we cannot be responsible for your errors. We instituted the duplicate bid sheet 30 years ago for your protection.
9. Please allow at least three weeks for delivery of lots as this sale of such great magnitude requires much time for careful checking and packing.
10. A list of PRICES REALIZED will be published about two weeks after the sale. By marking your bid sheet or ordering before the sale date, the price is \$2.00. This catalogue and price list could prove to be a worthwhile bibliography of numismatic books at today's market.
11. Lots delivered in the State of Maryland are subject to 4% Sales Tax, and will be added to the invoice.
